

This is an Operation Encompass school. Operation Encompass is a police and Education early intervention safeguarding partnership that supports children and young people exposed to Domestic Abuse. It aims to ensure Schools are notified in a timely manner of any Domestic Abuse incident where child/ren are present or registered at the address. This early notification should mean that, in the majority of cases, schools are alerted in readiness for the children arriving at school the first working day following an incident.

If you have any further queries about this scheme please contact the Designated Safeguarding Lead can be contacted out of hours using email csylvester@svs.sandwell.sch and phone number 0749 673 4211.

Children who are affected by domestic abuse do not have to suffer in silence. Operation Encompass shares the right information with our school, so we understand what is affecting the child, to give support and make sure they feel safe and included in school.

Making the next day better.
